- Special Population Involvement: I/DD

Descriptions: Below you will find information about services and supports requested and authorized in the report month for youth who are eligible for Developmental Disability Services or seeking eligibility. **Applications** approved are reflected in the total eligible number. **Family Support Services** are requested by a telephone application and may include more than one request per youth. **Assistive technology** typically requires an assessment be completed by a third party before a device or modification is approved. Some services are not available in all areas.

Summer Camp applications are displayed cumulatively for the year, so will remain static after the camp season begins and reset to zero in January.

Care Management authorizations may represent duplicated youth, as a youth with a DD consultant may also receive Mobile.

- Special Population Involvement: Youth with Substance Use Challenges

Descriptions: CSOC provides very limited substance use treatment services for under-insured youth that meet specific need criteria. These services include specialty assessment, outpatient, partial, out of home, and detoxification. **Calls** are all calls regarding substance use treatment, including calls from providers. **Open to CSOC Substance Use Services** represents all the service types except assessment. The **LOCI** is completed by PerformCare clinicians and is a recognized tool for determining the level of treatment for a youth. Data from completed Substance Use Modules on **Assessments** completed in the report month drive the need percentage.
